Hospital Committee to Start Campaign for Local District

A program, intended to lead to the formation of a hospital district and construction of a local hospital in Washington Township, was launched this week by Chairman Edward E. Enos of Niles, who heads the Washington Township Hospital Committee. First meeting of the committee will be held Friday evening, October 31, at Washington Union High School.

NAMED TO SERVE

Serving on the committee are:

Judge E. A. Quaresma, Niles; Mrs. E. Dixon Bristow, Niles; Allan E. Walton, Centerville; Mrs. Charles Myrick, Centerville; Fred Lewis, Centerville; Monford Krueger, Newark; Claire Lopez, Newark; Gordon Cotton, Newark; Miss Carmelita Berge, Irvington; A. E. Alameda, Irvington; Mrs. Joseph Shinn Jr., Niles; Mrs. Walter Avilla, Decoto; P. J. Faletti, Decoto; Mrs. Glenn Bottenberg, Mission San Jose; Stuart L. Fletcher, Mission San Jose; Orville Leitch, Warm Springs.

Speaker at next Friday's meeting will be Larue Sorensen of Pebble Beach, who has had experience in the formation of some of the 18 hospital districts already established in California.

PUBLIC INVITED

Chairman Enos states that all persons interested in the establishing of a township hospital are invited.

Function of the hospital committee will be to inform the public of procedure toward establishing a hospital district and to circulate a petition necessary to place the issue on the ballot.

It was pointed out by Enos that if the matter can be brought to a vote in the June election next year, cost of a special election would be saved.

HOSPITAL ACT AMENDED

The movement for a local hospital began more than a year ago. When it was determined that a hospital district would offer the best means of financing, the Washington Township Planning Association set about to have the state hospital district act amended so that a district could be formed here.

Upon the successful completion of this program, Enos was selected by the Planning Association to head a special committee to promote the establishment of a hospital.

WITH WEEK TO GO COMMUNITY CHEST HAS 50 PER CENT

After a hasty check with the community chairmen of the current Community Chest campaign, Warren Gravestock, campaign manager, said yesterday that an estimated 50 per cent of the $6,000 quota had been raised.

The volunteer solicitors are faced with the task of raising the additional amount in the next week to complete the fund-raising drive on schedule on October 31. If the amount is not raised by that date Gravestock has stated that the campaign will be extended until the quota is met.

WORKERS ARE BUSY

"All the community chairmen have expressed their gratitude to the many volunteer solicitors who have given so freely of their time and are doing such a fine job of canvassing the township," Gravestock said. He also reported that the response of all persons thus far contacted for contributions is indeed heartening.

"We of Washington Township have always gone over our quotas in each Community Chest drive and I am confident that we will again do so this year," he added.

Contributors have been asked to remember that their donation must be divided among three organizations, the Boy Scouts, Girl Scouts, and Salvation Army.

WEAR A FEATHER

Join the Red Feather parade. "Everybody Gives, Everybody Benefits." If you have not as yet been contacted by a solicitor, call your community chairman today.

All chairmen will be contacted Tuesday for a collection of the funds they have on hand and a more complete report will be issued at that time.

NILES GIRL SCOUTS TO HAVE HALLOWEEN PARTY

Niles Girl Scout troop No. 2 will observe the Halloween season by having a party at the Scout Hut next Tuesday, October 28.

The affair will be a costume party with prizes offered for the best costumes.

Refreshments will be served, with Mrs. Henry Vervais, Scout leader, in charge.

LEAVE FOR CONVENTION

Mr. and Mrs. R. J. Wright, Irvington, accompanied by Mr. and Mrs. William White of San Jose, left Wednesday morning for Los Angeles where Wright will attend a convention of county commissioners. They will return Monday.

NILES PILOT RETURNS TO ARMY AIR FORCE

James Stanhope, Niles, an instructor at Center Field, Centerville, this week has accepted orders to return to active duty as a pilot with the Army Air Corps.

Stanhope served as a fighter pilot during the war, seeing service in Italy, and was released to inactive duty as a captain. Upon returning to duty, he will retain his captaincy with a permanent regular army rank of first lieutenant.

DECOTO SCHOOL IS CITED AS EXAMPLE

The Decoto Elementary School received recognition in the Superintendent's Bulletin, a publication for Alameda county schools, in the October issue for providing a separate classroom for the speech correction class.

It was pointed out in the article that better results from the speech correction class can be obtained under such conditions and the recommendation was made that all schools follow this example.

NEWARK BUILDING IS DEDICATED AS COMMUNITY CENTER

To the strains of the national anthem, the flag was raised over the new Youth Center building at Newark at a special service held Sunday afternoon, dedicating that recently completed meeting hall to all the organizations of the community.

S. G. Scott, secretary-treasurer of the Youth Center building committee, served as master of ceremonies and introduced Chester T. Gunn, chairman of the committee, who addressed the audience.

A COMMUNITY CENTER

In his dedication address, made after he had traced the two-year construction history of the building, Scott said "In the years ahead it is hoped that the youth of Newark, regardless of religious creed or race, may have the benefit of many happy hours of good and wholesome fellowship in this building in the proper environment, under the competent guidance of adult leadership.

"At the present time, this building is a meeting place of the Boy Scouts, Girl Scouts, and the Cub Scouts. The Newark Women's Improvement Club and the Newark Sportsmen's Club also meet here. Thus, the building is gradually becoming a community center. The youth of our community, in whom we have great faith, deserve all that can be done for them.

BUILT BY COOPERATION

"May the building always continue to serve the purpose for which it is intended, and may it stand as an ever-present reminder of what can be accomplished in a community by cooperation of all its citizens."

Scott then presented the building to Mrs. Ruby Rogers, president of the Newark Women's Improvemen Club. The women's organization will act as custodian of the hall.

Open house and refreshments followed the formal program.

HALLOWEEN FETE BEING PLANNED

Joe Adams, Ford dealer in Centerville, announced this week that he will sponsor the second annual Halloween painting contest for elementary school pupils at his garage on Main street in Centerville Halloween night, Friday, October 31, beginning at 7 p.m.

Each of the nine elementary schools in the township has been invited to send two representatives to participate in the event, which features the painting of appropriate Halloween characters on the large display windows of the garage. All other elementary school students may enter a separate contest, drawing on blackboards inside the building.

Adams has revealed that, as in last year's contest, he will furnish all materials for the young artists and will offer cash awards for first, second, and third place winners.

Judges of this year's event will be Alice Lambrecht, seventh grade teacher at Centerville Elementary School; Dorothy Czerny, art instructor at Washington Union High School, and Edward Beckway, an employee at the Ford Garage.

FINANCE COMMITTEE TO DECIDE METHOD OF REDEEMING SCRIP

The final decision on the policy of redeeming the non-interest bearing scrip, sold here to raise funds for the lighting of Washington Memorial Stadium, was turned over to a finance committee appointed by Stadium Executive Committee Chairman Warren Gravestock at a meeting of the general committee held last Friday evening.

Named on the finance committee were: L. S. Williams, Dr. T. C. Wilson, John Berchem, and Judge E. A. Quaresma. They will determine in what order and by what method the scrip will be redeemed from the funds received as gate receipts of the football games played on the home field under the lights.

It was determined at the meeting of the general committee that none of the scrip would be redeemed until the close of the current football season. From the amounts received from the first three home games, the committee believes that it may be possible to pay back $2,000 of the $10,000 raised here at the close of the season.

Gravestock has set the date of the next meeting of the committee for November 21, the date of the final football game, at which time the total amount of receipts and method of redemption of the scrip will be announced.

MANUEL ABREU IS NEW FARM HEAD

Manuel Abreu, Newark, was unanimously elected chairman of the Washington-Eden Farm Center of Alameda County Farm Bureau at a meeting of that organization held Tuesday evening in the cafeteria of Washington Union High School. He succeeds Fred Lewis, Centerville.

Jack DeLuce, Centerville, was elected vice-chairman for the coming year and Herbert Young of Hayward was re-elected secretary-treasurer. William Enos, chairman of the nominating committee, presented the slate of candidates, who were all elected unanimously.

CLASS OF VETERANS COMPLETE TRAINING AT LOCAL AIRPORT

The first class of veterans to take the flight and ground school instruction at Center Field, Centerville, under the G.I. Bill of Rights training program, will complete 14 yeeks of intensive study and flying today (Friday) and will take their examination for private pilot licenses tomorrow.

WILL BE FETED

The group of students who have been instructed by Edward Rodriguez and James Stanhope and will receive their wings includes W. F. Sears, Alex De Knoop, J. A. Lewis, L. J. Amaral, J. D. Andrade and N. C. Nielsen. The class of finishing students will be honored by the directors and instructors of Aviation Center, Inc., at a barbecue dinner to be held in the lounge at Center Field at 7 p.m. Saturday.

In announcing the graduation of the first class, Don Hubbard, field manager and coordinator of the veteran training program, also revealed that a class of 13 new students will begin training next week in addition to the two classes now under instruction at the field.

PLAN ADVANCED COURSES

The new class of veterans enrolled in the flight and ground school training includes: Paul D. Gibson, Niles; James G. Martinez, Oakland; Frank H. Gygax, Newark; Paul Gygax, Newark; Arthur Joseph Sa, Niles; Colin E. Buchanan, San Leandro; Robert I. Anderson, Alameda; Alfred Gorman Jr., Niles; James P. Brown, Newark; Arthur P. Grimard, Oakland; Walter W. Monroe, Oakland; Chester D. Rose, Niles; and Anthony Coelho, Centerville.

Hubbard also stated that many of the graduates of the primary training course are expected to enroll in advanced flying courses at the field in the near future. He also revealed that Raymond Hasse, Warm Springs, had been added to the ground school teaching staff.

WARM SPRINGS TO HAVE CAFETERIA

The majority of necessary equipment for the installation of a cafeteria at the Warm Springs Elementary School has now been received and Principal James Nunes stated this week that it is believed the school lunch program can be inaugurated by the first of the year.

The equipment, which has been received from the State School Lunch Program, thus far includes a hot water heater, utensils, kitchen sink and tables. An electric refrigerator is now enroute here.

Workmen are expected to begin installing the equipment next week. It will mark the first time in the history of the 80-pupil school that hot lunches have been available.

BOGUS CHECK ARTIST PAYS VISIT TO NILES

A bogus check artist who posed as a magazine salesman passed through Niles Monday and left three local merchants his calling card in the form of three worthless checks.

All of the checks were made out to the name of Floyd Boyer in the amount of $10 and two bore the signature, James Vaughn. The third was signed J. T. Collins.

PROVE TO BE ANTS, FENCE EATING KIND

Niles citizens who were baffled recently by a swarm of flying creatures cluttering up the airways of Main street will be interested to learn that they were white ants. We have this on good authority. Read below what Fred Duffie, Senior Agricultural Inspector for Southern Alameda County, has to say about the creatures.

"Among our western species of the white ant we have three recognized forms. The normal and first form which was seen flying in Niles a few days ago after the rain and ground wormed up arises from nymphs with wing stubs or pads and develops into brownish or black, winged, sexed adults which swarm, lose their wings and become the true or normal kings and queens of the colonies.

The new colonies are formed by the swarming, which consists in the flight or migration of sexually mature males and females, and the mating takes place after the females alight to a suitable place for founding the colony. While great numbers seek the ground, some seek fence posts, telephone poles, building timbers.

Control measures consist of preventing the building timbers touching the ground or in using certain more or less repellent woods like redwood or by treating other woods with creosote, zinc chloride, or chloride of mercury."

STILL TIME TO ENTER CONTEST

The offer of $1,200 in cash awards and commissions now being made by The Township Register in return for a little pleasant work has met with the approval of the community.

Some of the leading residents of the township have signified their intention of getting into the friendly competition and no doubt many others will enter within a few days.

The names of nominees up to that time will be announced in next week's Register, but it is not too late to nominate yourself or a friend as the campaign has not as yet started in earnest.

The first grand award is $500 in cash, and the second grand award is $200 cash. These awards will be made to the ones who secure the largest number of votes in the entire township.

Washington Township will be divided into two districts and after the grand awards have been made the one who has the most votes in each district will be awarded a cash prize of $100, and the ones who came in second in each district will receive $50 each.

There will be no losers in the contest, since all who do not receive an award will be paid ten per cent on all subscriptions turned in by them if they remain active until the close.

Contestants do not need to wait to be nominated by some one else but may send in their own names.

If for any reason you cannot enter the competition yourself, send in the name of a friend and by so doing make yourself eligible for a special prize of $5 if your nominee is the winner of the first grand award. DO IT NOW!

NAVY BOMBER INTO BAY NEAR NEWARK

The crash of a Navy torpedo bomber into the waters of San Francisco bay near the Dumbarton bridge at Newark late Wednesday afternoon is presumed to have claimed the lives of three airmen.

Barney Eatherton, an eye witness, said that he saw the plane's right wing crumple as it flashed downward in a dive past radio station KGO's transmitter located west of Newark. Eatherton is a member of the transmitter engineering staff.

The Martin torpedo bomber, which normally carries a crew of two besides the pilot, sank about midway between the bridge and an obsolete destroyer being used for target practice.

The plane was attached to Air Group 15 based at Alameda Naval Air Station. The bodies of the men had not been recovered as we go to press.

MARSH FOUND GUILTY ON BATTERY CHARGE

Judge E. A. Quaresma last Friday pronounced Sam Marsh, 27, Niles, "guilty as charged" on a battery charge brought by Ralph Gregory, also of Niles.

The fight between the two men occurred on Main street in Niles on October 3.

Marsh was sentenced to 90 days in the county jail Monday, but the sentence was suspended and he was placed on probation for one year.

COURT OF HONOR AT NEWARK WEDNESDAY

The public has been invited to attend the first fall Boy Scout Court of Honor to be held Wednesday at 8 p.m. at the Newark Elementary school.

All of the troops of Washington Township will participate in the event and an interesting and impressive program has been promised. No admission will be charged.

WALTER WILLIAMS TO COURT TODAY

Walter J. Williams, Niles, will appear before Judge E. A. Quaresma in Niles Justice Court today at 3 p.m. on a felony charge of possessing a weapon commonly known as a blackjack. He is in custody in lieu of $1,500 bail.

ACCUSED STABBER TO TRIAL NOV. 3; VICTIM IMPROVES

The case of Trinidad Gonzales, 16-year-old Niles school boy, charged with the stabbing of 16-year-old Bill Jones, also of Niles, will be heard in Juvenile Court in Oakland Monday, November 3, at 9:30 a.m.

Witnesses to the stabbing, which took place on First street, Niles, on November 15, were subpoenaed this week to appear in Oakland and testify at the hearing.

The stabbing was the climax of an argument, which started on a Washington Union High School bus over whether a window should be open or closed.

The Jones boy was rushed to Alameda Hospital where an emergency operation revealed that the knife blade did not penetrate into any vital organ. He returned to his home here Tuesday but is still confined to his bed under doctor's care.

NEWARK CHAMBER PROPOSES VOTING PRECINCT CHANGE

A plan to increase the voting precincts in Newark from the present three to four was introduced to the members of the Newark Chamber of Commerce at their meeting at the Newark Pavilion Tuesday evening by Frank X. Veit, and received the unanimous approval of the chamber.

President Arthur Cotton, who presided, appointed a committee composed of R. A. Jolly, Joseph Pashote, and Edward Mara, to meet with County Supervisor Chester Stanley Monday to request the approval of the proposal by the Board of Supervisors.

DEEM CHANGE NECESSARY

The plan proposes that the community be divided into four quarters with Thornton avenue and Olive street serving as the boundary lines. The area south of Olive and west of Thornton would be Precinct No. 1; west of Thornton and north of Olive would become Precinct No. 3; Precinct 2 would be located south of Olive and east of Thornton; and Precinct 4 would be north of Olive and east of Thornton.

The change was deemed necessary by the chamber to better equalize the precincts, compensating for the increase in population.

Secretary Ray Alberts read a letter from Supervisor Stanley stating that the Board of Supervisors had instructed the P. G. & E. to install five additional street lights in the residential area of the community.

DONATION TO YOUTH CENTER

A motion was passed to donate $25 from the chamber's fund to the Newark Youth Center.

MARRIED IN RENO

Dressed in a chic hunter's green suit accentuated by a leopard muff and matching hat, and wearing a green orchid corsage, Ida Francis was wed to George Silva in a minister's little cottage in Reno Sunday, October 19, at a twelve o'clock ceremony. The bride is the daughter of Mrs. Mary Sequira.

The matron of honor and sister of the bride, Mrs. Alice Enos, wore a grey fish-tail suit with pink accessories. John Enos acted as best man. Accompanying the bridal party were Mr. and Mrs. Raymond Soares.

The benedict is the son of Mr. and Mrs. Manuel E. Sliva. He served four and one half years as a sergeant in the Army Air Corps and saw action in the Philippines. Both these popular young people are graduates of local schools.

After a wedding dinner at the Riverside Hotel, the newlyweds left for a honeymoon in Southern California and Mexico. Their new home is in Castro Valley. The new Mrs. Silva has charge of the C. F. Salz Company office in Decoto and George is employed by the Silva Plumbing Company of Hayward.

HOME FROM SEATTLE

Mrs. Mary Janeiro and daughter, Mary, our postmistress, returned last Saturday from a two weeks' visit with son and brother, Charles Janeiro in Seattle, Wash. They went sight-seeing and despite the heavy rains had a wonderful time. Before returing home Mary called on her friend, Mrs. John Vond, and her month-old daughter, Ruth. Mrs. Vond is the former Isabel Azevedo of the Alviso District.

RECUPERATING

Sandra Kay Belden, four-year-old daughter of Mr. and Mrs. Ray Belden, ran a rusty nail entirely through her foot Saturday, Oct. 18, while she was attempting to help her daddy in the yard. She is getting along nicely now with the aid of scores of picture books.

MOVE TO PLEASANTON

Mr. and Mrs. Alvin J. Rivers and daughter have left Decoto to make their home in Pleasanton where Mr. Rivers had the opportunity of going into business for himself. He was employed in the Watkins Shoe Shop during his stay here.

OAKLAND VISITORS

Mr. and Mrs. Hower Lewallen of Oakland were week-end guests at the home of Mr. and Mrs. Lester Watkins. The group attended the races together.

A WORTHY CAUSE

The Community Chest Drive is now in full swing in Decoto and if by chance no one calls on you, please contact our local chairman, Jack Faletti, with your donation. Three organizations are benefitting from the drive this year: the Boy Scouts, Girl Scouts, and Salvation Army. The Decoto Girl Scout Troop is to be organized soon.

LOCAL BOY MAKES GOOD

And so another local boy makes good. Fred Costa has been signed to a permanent spot in Roy Babtiste's eleven-piece band. Fred's first engagement will be to play at Lynn's Ballroom Friday night, and for a benefit ball in the Shrine Temple in San Francisco Saturday night.

AT OAKLAND

Mrs. A. L. Costa and daughter, Rosalyn, visited Mrs. Anthony Alameda and Mrs. Leo Reys in Oakland Sunday. Tuesday guests at the Costa home were Mr. and Mrs. Manuel Francis and daughter, Rita, of Reno.

HERE'S HOW!

Are you planning a spring garden or have you one already well established? In California where you can garden in comfort every month of the year, it is easy to have a restful and attractive garden without too much work, worry and expense. There is a front window display in the Decoto Library of helpful gardening books, designed by picture and text to help the gardener plan a garden, and the step by step methods of cultivating the ground, planting, fertilizing, budding, pinching-back and pruning. There are special books devoted to bulbs, annuals, perennials, vegetables and last but certainly not least, flower arrangements. Let's plant a garden!

SKYWAY FOR POWER

New 4804 Foot Carquinez Crossing

It has already become a sightseer's attraction, our spectacular Carquinez Strait power line crossing.

Here on the hills above the bridge, men are pushing steel skyward for the 383 foot towers which will carry the transmission line cables. The six great cables will swing 4804.5 feet in an unbroken span across the Strait—a distance more than 600 feet greater than the span of the Golden Gate Bridge.

This new skyway for power is a connecting link in the 220,000-volt transmission line from Vaca-Dixon substation in Solano County to the new Moraga substation in Contra Costa County. The project is scheduled for completion in November, 1947.

The Carquinez Crossing is part of the all-out effort of the company to insure power output far ahead of future needs in this area. It is part of an expansion program which will add approximately 1,000,000 horsepower to the Company's generating capacity by the end of 1951, when the total will be more than 3,500,000 horsepower.

ALAMEDA WATER DISTRICT FAVORS REBER P LAN

This week the directors of the Alameda County Water District issued the following statement: "It is the opinion of this Board that the consideration of any plan that includes the replacing of the salt water of the South Bay with a lake of fresh water is the most important problem ever to have confronted this area. We, therefore, urge that every citizen give his most careful consideration to the following statement recently made to the San Francisco Bay Area Council and we welcome suggestions and constructive criticism thereon. Free copies of this statement are available for distribution at our office in Centerville."

Since the Reber Plan is thus regarded by the directors of the water district, we publish herewith a report addressed by the board to the San Francisco Bay Area Council.—The Editor.

OUTLINE of the San Francisco Bay Project conceived by John Reber is here shown. New lands to be created by hydraulic fill are indicated in red, while the rock quarries which might be excavated to provide underground storage space for gasoline and munitions, and concealed hangars are shown in the gray shading.

The Board of Directors of Alameda County Water District, by unanimous agreement, respectively ask that the following statement be considered by you before a decision is reached on the proposed trans-bay crossing.

We feel that, with the heavy responsibility as well as the extensive powers granted us by the State Legislature, we are the only local body entitled to speak with authority on the subject of problems of water conservation in this area.

If we are correct in this presumption, we ask your Board to consider our special interest in the so-called "Reber Plan." It appears to us that said plan is of such far-reaching benefit from a transportation viewpoint that there should be little question of its approval by most of the qualified and far-seeing students of such problems. However, that is for others to decide in the line of their specialties.

The special interest of this district is in the provision for a fresh water lake in the South Bay. This may be the only means of saving our area—to say nothing of Santa Clara county—from a major disaster.

We assume you know the importance and fast growing nature of this portion of your county. We believe its value as Oakland's "Back Yard" is also well known to most citizens thereof, and that none of them would want to stand in the way of its future development—much less turn it back into a land of withered orchards, dying shade trees, and farm lands good for nothing better than thin pasture, seasonal hay and grain, or extensive salt ponds.

Our underground water table, once standing at or above sea-level in our gravel strata, is now 50 feet below and sinking rapidly. This causes large increases in pumping costs, which is bad enough, but the threatening disaster lies behind the fact that the lowering of the fresh water level has allowed the salt water from the bay to find its way back into these gravels where it is replacing the fresh water. This has forced the abandonment of many wells in an area three and four miles wide back from the bay shore. As an example, a strawberry bed was killed by salt water pumped this spring less than one-half mile west of Centerville.

Now, there are expensive ways being employed to meet this menace, but they are only temporary, and are accompanied with a prayer for a long series of very wet winters. Such a dispensation of Providence might keep the farm lands going for a long time, but the fast increase in industrial establishments—which no one wants to suppress—is requiring more and more cheap water. If this is not at hand, new industries will go elsewhere and old ones will leave—except salt works. Even at best, there is not enough water for both agriculture and industry.

Now to consider the Reber Plan. If it were in operation, our district would dredge canals right back into the middle of our area and dump millions of gallons of fresh water into our underground gravels until they were filled again to sea-level. Then, with unlimited fresh water available for the mere cost of lifting it from right under our feet, we venture to predict that many of us, and the children of the rest of us, will see Oakland extending right down to the Santa Clara line—an industrial belt in the low lands, with the middle ground and foothills being occupied by an impressive residential area.

In conferences with officials of the Santa Clara Water Conservation District, we find that their whole area from Palo Alto through San Jose to Gilroy, is in a situation almost identical with ours and they also see no feasible solution but the Reber Plan. They will, no doubt, present a similar statement to your Council.

For many years past the development of San Francisco has suffered greatly from the effect of the natural barriers that hem it in and limit its growth. Shall we now wilfully put an artificial but similar "straight-jacket" around Oakland? Thre is practically no other remaining area left for its all-around expansion and development. Also, we wonder if there could be much doubt that, confronted with a similar situation affecting its future growth, Los Angeles would have hesitated to put such a development into operation. Whether we like it or not, such foresight has made it what it is now.

Therefore, as the actual representative of the Alameda County Water District, and assuming, with some assurance, to speak as well for the territory south of us down to the Santa Clara county line, this Board of Directors makes this urgent appeal to you: That not merely for the preservation of this tributary "back country" of yours but, of much wider general importance, to avoid a future stagnation of Oakland itself, the Bay Area Council go on record as a strong advocate of the Reber or similar far-sighted plan for the benefit of the entire and unified Bay Area.

IRVINGTON CLUB PLANS PIE SOCIAL

An old fashioned pie social will be the next event to be sponsored by the Irvington Improvement Club, it was voted at a meeting held Wednesday at the Irvington Elementary School.

President Kyle Berry appointed Gus Robertson and Ben Cramer to arrange the affair and submit their plan at the next meeting, to be held here November 4.

The club voted to purchase a small bus to be made available to all local organizations for transportation.

They also voted to lend support to the P.T.A. in staging the annual Halloween party for the school students on Friday, October 31. Plans for the party include stunts, movies, games, and a weiner roast.

IRVINGTON PUPILS ELECT OFFICERS

Student body officers of the 4 upper grades of Irvington Elementary School have been elected as follows: Audrey Turnbow, president; Beverly Pearson, vice-president; Shirley Beach, secretary; Bette McMahon, treasurer; and Romalia Zendejac, yell leader.

According to Principal Gus Robertson the student body thus far this year has purchased two trumpets and a saxophone for the school orchestra and has made a donation to the Community Chest.

Estimated value of the 1946 California field crops is $544,595,000.

SCENE IN CENTERVILLE

SUNDAY NUPTIALS

Sunday, October 19, Miss Hilda Vierra of Centerville became the bride of Alfred Rodrigues of Niles, at St. Edwards Church in Newark. Felzie Sancho of San Rafael was maid of honor and Dominic Machado of Centerville was best man. After the wedding relatives and close friends attended the reception at the home of the bride's brother, John Vierra. The couple will spend their honeymoon at Seattle, Washington. The former Miss Vierra was born in Newark. Later she and her family moved to the Azores where they lived for eighteen years. Last summer she returned to the United States and has been living with her brother up until the time of her wedding. On their return they will make their home in Oakland.

VISIT HERE

Mr. and Mrs. M. Souza of Lemore spent several days in Centerville as guests of Mr. and Mrs. Frank Souza and Mr. and Mrs. Charles Souza.

BABY SHOWER

Eighteen friends and relatives of Mrs. Lorraine Cortez attended a baby shower given to her by her sister, Mrs. Gloria Vargas, at the home of their mother, Mrs. Rose B. Furtado. The room was beautifully decorated in blue and pink. Mrs. Cortez received many lovely gifts.

DRUIDS MEET

Last Monday night, Victory Circle No. 106, United Ancient Order of Druids, held a social meeting at Hansen's Hall. Delicious refreshments were served by Mrs. Martha Faria and her committee. A Thanksgiving party will be the main event of the next meeting, which will be held on November 17. The committee in charge for the evening are: Mrs. Mary Gastelum, chairman, Mrs. Elsie Silveria, Mrs. Louise Perry, Mrs. Madge Bernardo, Mrs. Lucille Lewis, Mrs. Claudia Mello and Mrs. Emma Dias.

WEEK-END GUEST

Miss Minnie Silveria of San Jose was a week-end guest of Mrs. Mary Calderia.

BIRTHDAY PARTY

George Roderick Jr. celebrated his tenth birthday Saturday afternoon at a party given at his home. The room was decorated in Halloween colors. Twelve of George's close friends were present to wish him a happy birthday.

HAVE DAUGHTER

Mr. and Mrs. Stebler Loze of Centerville are the proud parents of a baby daughter, Elizabeth Ann.

OBSERVE ANNIVERSARY

The U.P.P.E.C. Council No. 19 celebrated the 45th anniversary of the organization Tuesday evening. This was also the official visit of the Supreme Officers. Grand President Mrs. Bernice Silva, all of the other supreme officers, and visitors from Sacramento, Oakland, Richmond, San Leandro, San Jose, San Lorenzo, Hayward, Mission and Irvington were among those present. Also present were six charter members. They were: Mrs. Marianna Jasper, first charter treasurer; Mrs. Philamena Garcia, first charter secretary; Mrs. Mary J. Rodrigues, who is now president; Mrs. Anna Freitas, Mrs. Anna O. Thomas and Mary R. Cardoza. Eight members were initiated into the organization. After the meeting a banquet was held in the adjoining room. In the center of the table was a huge anniversary cake which was cut and served to the members and guests. A very enjoyable evening was had by all. The members of Council 19 are invited to attend a costume Halloween party on Tuesday night, October 28.

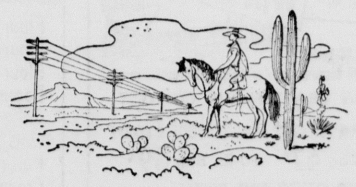
How desert winds help speed your voice across country

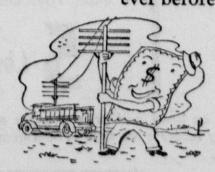


Above the desert floor we sometimes use wind-driven generators to supply power for long distance amplifying stations miles away from electric lines. When the wind dies, gasoline motors take over to charge the batteries at these repeater stations that give a "boost" to your voice as it journeys with the speed of light across the country.

"Here is your party" is the phrase our long distance operators are using more often these days. For calls East are going through faster now. To give complete service to the many new telephones we're adding, we must build more "speech highways"—all parts of the telephone system must grow.

Once again, we want you to use our long distance facilities when you wish . . . as often as you wish. At some switchboards during busiest hours, there may still be a delay. But we're doing many things to make long distance service . . . and all telephone service . . . better than ever before.

It takes new Working Dollars . . . millions of them . . . to build buildings and buy equipment needed to meet the demand for more service. They do not come from telephone bills, but from



people who put their savings into the business. And to get new working dollars we must sell our services at fair prices which allow us to pay reasonably for the use of their savings.

'Bowling' in the South

Mr. and Mrs. Henry Enos returned recently from a trip to Los Angeles with glowing reports of the exciting things they saw in the south. They really "did" the town, including the Cocoanut Grove where they heard Freddy Martin, the Biltmore Bowl, the Hollywood Bowl, and Santa Anita.

At a fashion show they attended at the Biltmore Bowl they had the rare treat of seeing, in person, Linda Darnell who stars in "Forever Amber." Miss Darnell modeled several of the gowns ("all breathtakingly beautiful," says Gertrude) which she wears in the movie.

Another very impressive sight of an entirely different nature was the Mission Play at San Gabriel. The couple stopped off in Santa Barbara to visit Dr. and Mrs. Jack Rathbone before returning home.

Bassinet Shower for Mrs. Joseph Damas

Mrs. Joseph Damas was the guest of honor recently at a baby shower given for her by her sisters-in-law, Mrs. Anthony Fields of Niles, and Mrs. Sarah Cunha.

Mrs. Fields had decorated the home, using a pink and blue motif. Crepe paper streamers hung from the walls to the center of the room, in one corner of which stood the "long-legged bird" keeping guard over a decorated basketfull of gifts. In the opposite corner of the room was an attractive arrangement of dried grasses painted in pink and blue and set in a container made of crepe paper to simulate a baby shoe. On the piano stood a miniature tree of pink branches, to which were tied in blue ribbons a miniature bathinette, high chair, play pen, etc.

The favors were tiny shoes made of pink and blue crepe paper.

After an evening of whist, refreshments were served.

The mother-to-be, who wore a corsage of gardenias presented her by her husband, was the recipient of many lovely gifts from the following: Mamie Menize, Mary Rocha, Isabel Souza, Alice Nicholas, Frances Furtado, Vera Fontes, and Bernice Parkhurst, all of Oakland; Lena Enos, Mary Aguiar, Flossie Lawrence, Carrie Rose, Anne Lawrence and Lauretta Ferrera, all of San Jose; Marian Frick, Gertrude Davis, Mary Dias, Margaret Soit, Sally Souza, Clara Castro, Rose and Jean Furtado, Gloria Vargas, Lorraine Cortez, Julia Garcia and Mildred Enos of the township. Those who sent gifts but were unable to attend included Dorothy Rose, Mae Rose, Mary Machado, Margaret Nunes, Evangeline Enos, Elvera Enos, and Isabelle and Theresa Fontes.

Ceremony at Mission Unites Local Pair

A three o'clock wedding at St. Joseph's Church in Mission San Jose last Sunday united in marriage the former Elaine Silva, daughter of Mr. and Mrs. J. L. Silva of Warm Springs, and Mr. Herman Mesquite, son of Mr. and Mrs. Alex Mesquite of Niles.

Father John Leal performed the ceremony.

The bride, given in marriage by her father, wore the traditional white. It was a chiffon gown, with fingertip veil which fell from a crown of seed pearls. She carried a bouquet of white carnations centering an orchid.

Miss Diane Avakian, maid of honor, wore a blue brocaded gown with picture hat and carried a bouquet of bouvardias.

The other attendant, Mrs. Emily Faria, sister of the benedict, wore a gown fashioned in the same style as that of the maid of honor, but in pink.

Mr. Alvin Silva, brother of the bride, acted as best man, and Mr. Joe Faria did ushering duties.

Mr. Herbert Andrade played the organ for the ceremony and Phyllis Andrade was the soloist.

Mrs. Silva, the bride's mother, was attired in a gray frock with black accessories. She wore an orchid.

Mrs. Mesquite was in a blue ensemble with black accessories. She also wore an orchid.

A reception and buffet supper, immediately following the ceremony, was held at the Country Club in Centerville.

After a honeymoon in the north the couple will return to San Leandro to make their home.

The new Mrs. Mesquite is a graduate of Washington High School. Her husband is also a graduate of Washington High and is presently employed at the Chevrolet plant in Oakland.

Dinner Guests At Parsonage

Dinner guests of Reverend Donald Kirkbride at the parsonage recently were Miss Flora Farina and Mr. Herbert Hagemann of Livermore.

Miss Farina will leave shortly for South America where she will do exchange teaching. She entertained the group by showing her interesting collection of color slides.

Feted on Birthday

Mrs. Roy Canwright of Irvington was feted last week on the celebration of her birthday. On Sunday a dinner was held at her home with her sister, Laverne Harvey, Centerville, and Dave Priego, San Leandro, as guests. That evening Mr. and Mrs. Canwright were treated to a dinner and show in Oakland by Mr. and Mrs. Frank Harvey of Irvington.

Childhood Romance Culminates in Wedding

A romance which began in grammar school days was culminated last Sunday in the marriage of Rosemary Isola of Newark and Mr. Alfred Mazza, also of Newark.

The bride, daughter of Mrs. Margarita Isola, met her husband when the two were going to the school in the Alviso district. The romance flowered during their high school days at Washington High, and ended in wedding bells.

The setting of the nuptials was the newlyweds' new home on Mt. Vernon avenue in Centerville, where Judge Allen G. Norris read the marriage rites at a 10 o'clock ceremony.

The bride, in a blue suit with pink accessories with a bouquet of gardenias and begonias, was attended by Miss Barbara Veltri, a cousin of the benedict. She was attired in a Nile green suit, accentuated by gardenias.

Mr. Chrisopher Christensen performed best man duties.

Mrs. Edith Vergano, the bridegroom's mother, wore a dark blue ensemble with matching accessories and a gardenia corsage.

The bride's mother was in dark blue with pink accessories and also wore a gardenia corsage.

Following the ceremony, a reception was held at the home with approximately 100 friends and relatives of the happy pair attending. Mr. Ernest Houser of Oakland entertained the guests with accordion solos.

Later in the day a dinner was held at the Fior de Italia in San Jose. The wedding festivities closed in the evening with a buffet supper which featured a large wedding cake.

The benedict is employed at the Stop and Shop market in Newark. His bride was formerly employed at the Alvarado Vegetable Growers' Association.

First Child for Former High Teacher

Mr. and Mrs. Albert Silva of Niles are announcing the birth of a son, Dale Joel, born last Sunday in the Hayward Hospital. The young man, the first child of the couple, weighed nine pounds, five ounces. His mother is the former Muriel Fournier who taught for several years at Washington High.

The baby's daddy is connected with the Cox Real Estate firm in Hayward.

Dinner Guests

Mr. and Mrs. K. P. Suhnel hosted a dinner party at their home on Santos Road last Saturday evening. The guests included Supervisor and Mrs. Chester Stanley, Mr. and Mrs. Walter Connolly, Mr. and Mrs. A. S. Enos, and Mr. and Mrs. Louis Cardoza.

THESE LOCAL WOMEN helped in arranging and preparing the luncheon given at the Old Adobe by the Toyon Branch for the benefit of Children's Hospital of the East Bay. From left to right: Mmes. W. H. Ford, R. A. Sparrowe, Robert Blacow, T. C. Wilson, T. Witherly, Joe Shinn Jr., Edward Mara, and Frank Fields. Mrs. Fields was general chairman of the affair.

A GROUP OF THE VERY YOUNG SET who danced for the patrons of the Toyon luncheon which was held at the Old Adobe at the California Nursery recently. Standing (from left to right): Deanna and Wanda Rae Mara, Carolyn Pugmire, Kathy Sue Oxborrow, Marlene Rogers, Marjorie Ann White, Dolly Mottershaw, Duane Chrysler; (front) Diane Roeding and Helen McElvain.

THE NILES GIRL SCOUTS sold cokes at the Toyon luncheon for the benefit of Children's Hospital. Left to right are Elaine Ferreira, Suzanne Gorman, Mrs. L. R. Creighton (Scout leader), Joy Duarte, and Joyce Rebello. (Can you recognize the gentleman with the hat? It's J. A. McDonald of Niles.)

Visitor from Monte Carlo In Mission San Jose

A house guest at the home of Miss Eda Beronio of Mission San Jose is Mrs. Eleanor Pasquali of Monte Carlo. Mrs. Pasquali arrived in America a few weks ago on the Mauretania after having spent seven years in Europe.

Planning to spend only a couple of months on the continent when she went abroad in 1940, she was caught by the war and went through most of it in her home in Rome. In the short time she has been here she has not yet been able to accustom herself to the comparatively lavish meals of the Americans and to the abundant supply of clothing materials. "To Europeans," said Mrs. Pasquali, "the receipt of a flour sack for a dish towel is hailed as the cause for rejoicing."

As for the political situation in Europe, Mrs. Pasquali is quite sure that the people are too weary from the recent war to become alarmed over another one. "They have become fatalistic," she went on. "They feel that another war would not be a war of struggle or of hardship, but one of complete extermination. For that reason they are not thinking too much about it. But," she continued, "there are certainly clouds on the European horizon—portentous clouds."

In Oregon

Mr. and Mrs. John Hansen and three sons of Niles returned home this week after a four-day jaunt to Oregon where they fished on the Rogue River.

TEXAS CONVENTION IS GOAL OF TOWNSHIP BUSINESS WOMEN'S CLUB

"On to Fort Worth" is likely to become a by-word with members of the township Business and Professional Women's Club during the next few months.

The club members, meeting last Monday evening at the P. G. & E. clubhouse in Newark, were inspired by their president, Carmelita Berge, to bend every effort in the forthcoming months to raise enough funds to send a delegate to the Fort Worth convention next summer.

The club raised approximately $70 during its last money-making enterprise, a barbecue supper at the Berge home, "and," said Treasurer Rose Vieux, "it will take about $150 more to pay our delegate's expenses."

The club, anxious to send a delegate to aid in a proper representation of the west coast at the convention, is confident that the money can be raised. Mrs. Josephine Morris and Mrs. Gertrude Enos were appointed to head the "On to Fort Worth" committee.

Miss Berge, in greeting the newer members and guests at the Monday meeting, asked their forbearance in the lengthy discussion of ways and means. "I hope you realize," she said, "that despite the fact that at present we seem to be wholly concerned with the ways of making money, money-making is not one of the more important functions of the club. It is only that we are particularly anxious at this time to make it possible for a delegate to attend the convention."

The business part of the meeting was closed by an announcement that the next meeting will be a dinner meeting at the International Kitchen on November 18, with Mrs. Arthur Belshaw in charge of the program.

The social half of Monday night's meeting was highlighted by a hilarious game of musical bingo, directed by Mrs. Clarence Crane. This was followed by the serving of refreshments on tables decorated in the Halloween motif. Mrs. Ann Mayock was general chairman for the evening's entertainment. Assisting her on the hospitality committee were: Bernice Nordvik, Audrey Carmody, A. Dutra, Josephine Morris, Estelle Hirsch, Rose Vieux and Peggy Crane.

JEWISH PROBLEM, PROS AND CONS, DEBATED AT ART SECTION MEETING

"What is a Jew?"

That was the question posed at the meeting of the Arts Appreciation Section of the Country Club when it met Wednesday evening at the home of Mrs. Howard Overacker Jr. in Mission San Jose.

But there was no answer for it. The question, motivated by a discussion of the book, "Gentleman's Agreement," by Laura Hobson, nevertheless brought out some interesting though indefinite opinions on the age-old problem.

Some of the women present chose to believe that the Jews are a race. Others preferred to think that Jewry is a religion, and still others that they are a nationality. Inasmuch as there was no authoritative person to consult on the question, the matter was left hanging.

The women agreed, however, that the Jews are a much maligned and misunderstood people, that—as with all races and creeds—we should make every effort to express tolerance for them. There was also a "gentlewoman's agreement" to not only give lip service to our beliefs for tolerance of minority groups, but to take a definite and forthright stand when confronted with dogmatic and opinionated ideas on any peoples or creeds on earth.

The discussion of the novel was preceded by refreshments served by the hostess, and by an announced that the section would be responsible for the annual Christmas program given at the Country Club. In previous years the Home Arts Section has staged the program.

Mrs. Howard Overacker was elected chairman of the section following the resignation of Mrs. Jack Rees who has moved to Hayward. The next meeting will be held at the home of Mrs. Walter Connolly with Mrs. Ray Barnum as program chairman. Mrs. Barnum has planned a program of music, tracing the history of the present-day popular music by means of recordings.

Rosemary Telles Becomes Bride of Georgia Man

A six-thirty o'clock wedding Thursday morning, October 23, united in marriage Rosemary Telles, daughter of Mrs. Rose Telles of Mission San Jose, and Mr. George Tucker, son of Mr. and Mrs. Lewis Tucker of Shannon, Georgia. The ceremony was performed by Father Leal at St. Joseph's Church.

The bride, queen of the Sesquicentennial, wore an aqua suit with gray accessories, and an orchid corsage.

Her sister, Mrs. Alfred Andrade, was her only attendant. She was attired in a chocolate brown frock with which she wore wine-colored accessories and a gardenia corsage.

The bride's brother, Mr. Leland Telles, was the best man.

Following a wedding breakfast at the home of the bride's mother, the newlyweds left on a honeymoon, to return in about a week.

The new Mrs. Tucker, graduate of Washington Union High School, has been employed at the post office in Mission San Jose. Her husband, a navy veteran, is employed by a local contractor.

They plan to make their home in Mission San Jose.

Muela-Stanton Nuptials at Decoto

Miss Phyllis Muela, daughter of Mr. and Mrs. Antonio Muela of Alvarado became the bride of Mr. James Stanton, formerly of North Carolina, at a pretty wedding Sunday in the Assembly of God Church. Rev. Tony Rodrigues said the rites at 2:30 o'clock. A reception for 50 guests was held immediately afterward at the home of the bride's aunt, Mrs. Pascuala Muela, in Decoto.

The bride was given in marriage by her father. She wore a traditional wedding gown of satin. Miss Dora Reyes of El Monte, the bride's former home, was maid of honor and the three bridesmaids were Miss Carmen Ruelas, Miss Stella Fuentes and Miss Arias. Jack Jackson of San Francisco was best man. The ushers were Frank Garza of Los Angeles; David Muela, the bride's brother, and Antonio Reyes of El Monte.

The new Mrs. Stanton attended El Monte schools. Her husband, the son of Mr. and Mrs. N. S. Stanton of Durham, North Carolina, served in the Navy four years in the Pacific. He is employed in Decoto.

BIRTHDAY PARTY

Thirteen "little ones" gathered at the home of Mr. and Mrs. Edward Kettman, Arden street, last Saturday, Oct. 18, in celebration of the second birthday of their daughter, Nancy. The afternoon was spent in playing games, after which the children sat down to enjoy refreshments. Little individual cakes were served, with a candle shining brightly on each, with ice cream and soda pop. The table was cleverly decorated with a large pumpkin as the centerpiece and a skeleton dangled from the chandalier but the kiddies didn't seem to mind his presence. Their place cards consisted of colorful little hats. Amidst the oh's and ah's of Jack and Jill Kettman, Mary Lou and Johnny Melhase, Madeline and Ronnie Quaresma, David Lacey, Kathy Untiedt, "Skeeter" and Harriet Brown and Garry Fracolli of Niles, Debbie McNieve, Ronnie Hinkley and sister Jo Ann, Miss Nancy opened her many lovely gifts. Also present besides Nancy's Mommy were Mmes. George Hinkley, John Santos, Bud Kettman, Ruel Brown of Niles, Herb Lacey and Cecil McNieve.

A DOGGY PARTY

Station F.L.O.P. broadcasting. Now this is no gag, but really happened. That is the way the invitations read inviting many friends and all the girls of St. Mary of the Palms to a birthday party for the most popular three-year-old at St. Mary's. If you have ever seen Father Lawrence of St. Mary's walking up the road to the Mission, you no doubt have seen FLOP also. He is a beautiful snow white three-year-old puppy who is very talented. Flop counts, obeys orders, does tricks, dances, plays, hide and seek, and in general is the life of every party. He always carries a cute little basket which he uses in many of his trick acts. So tomorrow, October 23, to celebrate his third birthday with the girls at St. Mary's, he is serving cake to all.

HUSKIES LOSE BY ONE POINT TO LOS GATOS WILDCATS

Washington High School's summary of the S.C.V.A.L. game at Los Gatos last Friday might well be expressed, "Too little, too late."

The Huskies came out on the short end of a 7 to 6 score, registering their tally in the last minute of play. The two teams were well matched and were never able to penetrate each others 20-yard line except for the one touchdown each.

The Wildcats scored midway through the second quarter when Nick Bastonvan, Wildcat lineman, intercepted a blocked pass and packed it to the Washington 35-yard stripe. Tailback Ernie Jordan flipped a pass to Don Callahan who ran to the touchdown. Jordan knifed off-tackle for the decisive extra point.

Coaches Jud Taylor and Clyde Voorhees' boys fought back in the last minute of the fourth quarter. Ruben Rodrigues passed to Gil Orozco on the Los Gatos 25-yard line and Orozco fought his way to the 6-yard stripe before he was spilled by Jordan. A short pass into the flat was good for the 6 points. Sankene's drop kick for the try for the tying point was outside the uprights.

The Huskies will get a rest from league competition tonight (Friday) when they play hosts to the San Jose Tech aggregation at Washington Memorial Stadium in a game called for 8 p.m.

PLAGUED BY INJURIES . . . Minor injuries will keep three of the above pictured Huskies' usual starting lineup out of tonight's game with San Jose Tech.

Pictured, left to right, back row, are Linemen: Orozco; Duffie; Goularte; Herring, out with knee injury; Morley, out of school because of illness; Enciso, ankle injury; and Alameda.

Front row, backfielders: Halliday, Sankene, Graber, and Rodriguez. Not pictured but also out of tonight's game because of injuries is Halfback Durazo, who has seen action in all of the games thus far this season. —Stinhilver Photo

DOUBLE-HEADER TONIGHT

Coach Irving Hird's Washington "30" squad will meet the Hayward "Lightweights" in a 6 p.m. curtain-raiser to tonight's Huskie-San Jose Tech varsity battle. The locals will be playing without the services of Evan Parry who is benched because of a knee injury.

SELECT DATE FOR BOY SCOUT RODEO

Friday, November 28, has been selected at the date for the staging of the Washington Area Boy Scout Rodeo to be held in the gymnasium of Washington Union High School with all the troops and scouters of the township participating.

The affair will feature contests between the participating troops in first aid, communication, knot tying, fire-making by friction, yells, and a judging game.

Fred Duffie, Niles, chairman of camping and activities, will be in charge of the event and Judge Allen G. Norris, Centerville, chairman of the Southern District, will deliver the welcoming address.

The purpose of the roundup is to demonstrate scout skills to parents, friends, and sponsoring organizations.

DINNER MEETING OF FARM BUREAU OCT. 31

The annual election and installation of Alameda County Farm Bureau officers will be held at a dinner meeting at Hayward Union High School cafeteria, Friday, October 31, beginning at 6 p.m.

Ray B. Wiser, president of the California Farm Bureau Federation, will be the speaker of the evening. Frank Pierce, also of the federation, will serve as master of ceremonies and will install the new officers. The remainder of the meeting will be taken up by the reading of the yearly reports and a musical program.

All members planning to attend have been asked to make reservations with either their local center chairman or the County Farm Bureau office not later than Tuesday.

LIMITS BAGGED AS DUCK SEASON OPENS

The season on waterfowl, namely ducks, geese, and mudhens, opened officially at 12 noon Tuesday and found township sportsmen in their blinds ready to bag their limits at the opening hour.

Shooting was limited considerably by the fact that 1947 state and federal regulations for migratory game placed a limit of four on ducks and a daily limit of five on geese. Daily and possession limit on mudhens is twenty-five.

RULINGS OUTLINED

According to the regulations, all hunters must possess a state hunting license and waterfowl hunters over 16 years of age must have a federal duck stamp, which may be purchased at post offices.

Of particular confusion to many of the hunters was the bag limit on geese, which states that the daily limit is five, including in such limit any combination not exceeding two of Canadian geese, white-fronted geese, and brant. No Ross geese at any time. Possession limit is one daily bag limit.

SEASON ENDS NOV. 3

Prohibited is the use of live decoys and feeding; shotguns capable of holding more than three shells, or larger than ten-gauge; pistols; sink boxes; shooting from power boat; sail boat under sail; automobile; or aircraft.

The local sportsmen have reported little difficulty in obtaining their daily bag limits thus far this season. The season closes on November 3.

DECOTO SCHOOL

By Dolores Lorenzo

The eighth grade is planning for a dance on Halloween, Friday, October 31. They are also planning on inviting the seventh graders. Refreshments will be served.

The president of the eighth grade, John Rivera, has named the following committee for the dance: Lois Gerber, Irene Jiminez, Leonard Zomora, Rudolph Cantu and Shirley Rabello, decorations; Elidas Castro, Betty Meyer and Grable Raminez, refreshments; and George Pagan and Lydia Vigil, record committee.

The first, second and third grades are going to have a costume parade. The fourth, fifth and sixth grade boys will have a top contest and the girls will have games.

The Traffic Patrol boys have been given the new traffic patrol signs by the Oakland Police Department.

NURSES TRAINING OFFERED FREE BY OAKLAND HOSPITAL

An invitation to young women to learn the nursing profession at no cost to themselves—in fact, they're paid while training—was extended this week by the Permanente Foundation Hospital in Oakland.

Miss Claire M. J. Wangen, M.A., R.N., director of the Permanente School of Nursing, suggested that applications for the course should be submitted at once, well in advance of the start of the next class on January 23, 1948.

High school graduates of good character and emotional stability, between the ages of 18 and 30, will be accepted for the course, which is designed primarily to help overcome the shortage of nurses in the western states.

Student nurses will receive their preliminary training, together with some college work, at the Vallejo Community Hospital, during which they receive $25 a month as a personal fund in addition to all tuition and living expenses. After six months they will be transferred to Permanente Hospital in Oakland for completion of the three-year course.

The personal allowance is increased steadily, reaching $60 a month during the third year. Upon completing the course and passing the state examinations, graduates will be entitled to sign the coveted "R.N." after their names. Registered nurses currently are earning in excess of $210 a month.

Applications should be addressed to: Permanente School of Nursing, Permanente Foundation Hospital, Oakland 11, California.

An Act of Congress in March, 1855, provided $30,000 for an importation of camels for military purposes.

END FIRST HALF OF WINTER LEAGUE PLAY HERE SUNDAY

Irvington, Niles, and Decoto, Washington Township's three teams playing in the Southern Alameda County Winter Baseball League, each suffered defeat Sunday.

Irvington, playing on their home field, bowed to Golden State Fireworks, 9 to 2; Marlo of Decoto, in their game at Bret Harte school in Hayward, was the victim of a 10-3 win by the Hayward All-Stars; and Niles received a thorough 18 to 1 trouncing from Hernandez Market.

PITCHERS WEAK

John Garcia, working the mound for the Marlo team, pitched a six hit game but the combination of two walks, three errors, and two hits in the second inning gave the Hayward aggregation a lead which Decoto was unable to overcome.

Frank Mayer's Irvington club allowed too many charity bases, allowing eight of the visitors to become base-runners via the walk route. Alameda started on the mound for the Irvingtonites and was relieved in the sixth by Lopez.

Clarence Stewart, who went the entire nine innings for Niles on the Centerville diamond, was constantly in trouble with the visitors scoring in nearly every inning.

END FIRST HALF

All three clubs have but one more game in the first half of league play and each of the managers have issued calls for additional players to strengthen their clubs before embarking on the second half. Particularly needed, according to the managers, are additional pitchers.

In the final round of the first half, which will be played Sunday, Golden State Fireworks will meet Niles on the Centerville diamond, and Irvington will be host to the Marlo Decoto Club. Both games are called for 2 p.m.

NILES POSTMASTER TO NATIONAL CONVENTION

Mr. and Mrs. Edward E. Enos, Niles, returned to their home here last week-end from Los Angeles where they attended the 43rd annual National Postmasters' Convention, October 12-16.

They reported that a highlight of the convention was the opening reception ball held at the Biltmore ballroom in authentic western fashion, featuring such famous radio and screen stars as Judy Canova, Bill Elliott, Eddie Dean, Ken Curtis, the Hoosier Hotshots, and the Texas Rangers.

The couple were accompanied by Mr. and Mrs. Henry N. Enos who were their guests at the conclave.

M'GREGOR NAMED NEW PRESIDENT OF MEN'S CLUB

J. I. MacGregor, principal of the Newark Elementary School, was elected president of the Washington Township Men's Club, succeeding Harry Weber, at a meeting of that organization held at the International Kitchen last Thursday evening.

Other officers elected were: Edward E. Enos, vice-president; R. H. Russell, secretary; Claremond Secada, treasurer. The slate of candidates for the offices was presented by Loren Marriott, chairman of the nominating committee, and was elected unanimously from the floor.

MUSICAL PROGRAM

President Weber presided over the meeting following the invocation by the Reverend Donald Kirkbride, pastor of Niles Congregational Church. Dwight Thornburg, musical director at Washington Union High School, directed a musical program presented by his students, which included a trumpet solo by Clifford Fields; trombone solo by Ernest Pack, piano selections by Jack Gaunt, and vocal selections by Lorraine McClain, accompanied by Barbara Snyrl.

Carl Christensen, Irvington, introduced Dunlap C. Clark, president of the Central Bank of Oakland and chairman of the National Defense Committee of the United States Chamber of Commerce, who was the speaker of the evening.

Clark, a veteran of both world wars, who spoke on the topic of universal training, polled a vote of the 77 men present on their opinion of such a training program. A great majority of those present favored a military training plan.

FAVORS TRAINING

In his address Clark advocated a six-month compulsory military training period for all boys to be taken between the age of 18 to 24 years. He stated that according to most backers of the plan it is desired that the youths would take the training immediately upon their completion of high school.

Seven new members were initiated into the Men's Club at the meeting. They are: Edward Demler, Hayward; Kenneth L. Foster, Newark; W. H. Park, Niles; Ken C. Porter, Hayward; Peter Juhl, Niles; Robert Ritchart, Centerville; and Reverend Donald Kirkbride, Niles.

TEEN-AGE CENTER IS NEEDED HERE

A teen-age center for youths of all religions and creeds in Niles is a definite and an urgent need here.

The above statement summarizes a talk given last Wednesday before members of the Niles P.T.A. by the Reverend Donald Kirkbride of Niles.

Mr. Kirkbride, pastor of the Niles Congregational Church, in an informative and comprehensive talk, stressed the need in Niles for a center for young people that is not restricted to any religious group. "We have," he stated, "a young people's group in our own church. But a center for young people of ALL religions is needed in addition to the young people's groups of the different churches.

MUST 'DO THINGS'

"Young people of this generation have a restlessness, an urge to 'do things' that must be recognized by their elders," he continued. "There is one way to combat recreational activities of a shady nature, and that is to supplant them with proper and more appealing recreational activities."

He pointed out that teen-age centers are not just a fad. They have become an institution in America, a very necessary institution. "A teen-age center, operated by teen-agers, and under the supervision of some responsible adult group or groups has become a necessity in many American towns. Niles, too, is feeling the need for a place where the young people may congregate for group recreation and fun."

PREPARE NOW

Rev. Kirkbride closed his speech by emphasizing the fact to the mothers present that, despite the fact that many of them do not at this time have teen-agers in their homes, they will have at some time in the future. "Prepare for that time now," he urged. "And in the meantime, take care of the recreational needs of the present teen-agers. They have a direct influence, you know, on your own younger children."

President Mrs. A. W. Gorman, who presided at the meeting, appointed a committee to investigate the possibility of using the Niles Scout Hut for a teen-age center. The committee will get to work immediately on the project.

The meeting was concluded by a demonstration of Niles Girls Scout troop No. 2 on "A Day in Camp," under the direction of Mrs. Marie Vervais and Mrs. Henrietta Teeter.

POT-LUCK SUPPER

It was announced during the afternoon that the fourth and fifth grades were the winners of the lower and upper grades respectively of the membership contest. As a reward the two classes will be given a Halloween party by the P.T.A.

The next meeting, in November, will be a pot-luck supper to be held in the school cafeteria to which members and their families will be invited.

Southern California — the area south of Santa Barbara to the Mexican border and east to the mountains—comprises about 8.9 per cent of the state.

IT COULD BE YOU!

You're missing an opportunity if you don't enter our prize subscription contest. Why be lazy? If you want something, go out after it! If you don't, others will. And $500!!! You can't afford to pass it up! There are other worthwhile prizes, too, if you don't win the first one.

If you hang back and say "I haven't got a chance," you're a Mr. and Mrs. Milquetoast. It's the people who are afraid they "don't have a chance" who miss the good things in life.

And don't be afraid your friends won't want to help you. They'll be as thrilled as you are if they have been contributory in helping you win!

CAT ARISTOCRACY

Mrs. Ethel Grau of Niles has lost her valuable Siamese cat. It came from Siam and is the only one of its kind, according to Mrs. Grau, in this area.

This is the third time the cat has been missing. The other two times it was stolen. I have advised Ethel to get an ordinary alley cat, and thereby put her mind at rest.

So now you have to register your bees—according to a news item in this issue of The Register.

The state law was made, according to the story, to control bee epidemics. Now what, I ask you, kind of an epidemic could a bee get involved in?

COUNTY MEETING OF POSTMASTERS

By LOIS BOTTENBERG

The postmasters of Alameda County met on Wednesday evening at the Hotel Leamington with Postmaster Honorable Stephen Graham of Oakland as host.

Dinner was served at seven and due to the fact that Hon. George P. Miller, congressman of the sixth district, had another appointment in Livermore to speak, he gave his many enlightening ideas to the group before the finish of the meal.

There was a full report on the national convention, just closed in Los Angeles, by Ford Samuels, postmaster of Alameda, and Mrs. Stephen Graham, wife of the Oakland postmaster, gave some very interesting highlights on the Fashion Show put on by Linda Darnell with a showing of all the costumes she wore in "Forever Amber." Mr. Graham added several things to the convention talk. A business meeting followed the dinner and talks.

Those present were: Mr. and Mrs. Stephen Graham; Mr. Ford Samuels; Mr. and Mrs. Bradley, Oakland; Gertrude Mooney, Mr. Mooney and Mrs. Videll of San Lorenzo; Mr. and Mrs. Manuel Joseph of Irvington; P.M. Lois Bottenberg and husband Glen, Mission San Jose; P.M. Bill McKinnon, Livermore; P.M. Manuel Lewis, Centerville; P.M. Mary Janeiro, Decoto; P.M. Julia Harris, Newark, and husband, Elmer, assistant post master at San Leandro; the newly appointed P.M. of San Leandro, George Perry; P.M. and Mrs. Tony Foster of Hayward; and visitors P.M. and Mrs. DeRosa of Concord, guests of Stephen Graham, and the Honorable George P. Miller, congressman.

The next meeting is slated for San Leandro with our new P.M. as host, on November 19.

LOCAL MEN ATTEND OAKLAND MEETING

The inevitable movement of new industries in the direction of Southern Alameda County was one of the factors of growth discussed at the annual report meeting of the Metropolitan Oakland Committee last Friday, which was attended by President Stuart L. Fletcher of the Washington Township Planning Association and President L. R. Batman of the Niles Chamber of Commerce.

The committee, composed of civic leaders representing the entire East Bay area, is set up to administer the spending of funds allocated by the county Board of Supervisors for publicizing the county.

BEE COLONIES ARE TO BE REGISTERED

County Agricultural Commissioner Gordon B. Laing this week notified Alameda county beekeepers that a new state law requires them to register with the county agricultural commissioner all colonies of bees maintained by them within the county.

The registration must be completed prior to November 1 on forms available at the office of the county agricultural commissioner. There is no fee or charge required.

The information on file regarding the location and number of bee colonies in the county would be necessary should an epidemic occur among the bees in any area within the county, Commissioner Laing said.

The forms may be obtained by mailing or telephoning requests to the County Agricultural Commissioner or Sr. Inspector Fred H. Duffie at Niles, or by calling for them at their offices.

NILES Y.L.I. HOLDS HALLOWEEN PARTY

The annual Halloween party of De Guadalupe Institute 74, Y.L.I., Niles, was held at the I.O.O.F. Hall in Niles last Thursday evening with an estimated 50 members attending.

The hall was appropriately decorated in the Halloween motif by Mrs. Ruth Silva. Mrs. L. A. Mayer headed the refreshment committee, Mrs. Clarence Crane was in charge of the entertainment, and Mrs. Ruel Brown was in charge of the awards for best costumes.

Awards for the best costumes were won by Mrs. Raymond Murphy, Mrs. Frank Roderick, Miss Vivian Maciel and Miss Mildred Amaral.

A highly entertaining skit was presented by a cast which included Mrs. Marian Zwissig, Mrs. Louis Cardoza, Mrs. Manuel Ferreira, Mrs. George Smith and Mrs. Raymond Murphy.

KLATAWA COUNCIL FETES SPORTSMEN AT PARTY

Approximately 200 people attended the party Monday night given by Klatawa Council No. 251 of the Pocahontas for the Niles Sportsmen and their wives, and husbands of the Klatawa Council.

Also present at the affair were Senior Sagamore Frank Doll of Pomo Tribe in Hayward and Past Great Pocahontas Florence Howett of Rockaway Beach.

Other visitors included several from San Francisco.

The affair was arranged by Mrs. Burlia James and her committee, who served a sumptuous repast of turkey sandwiches, salads and coffee.

POLICE COMB AREA FOR DEATH CAR

With several "good" clues to aid them in their search, Deputy Sheriffs and state highway patrolmen joined forces this week in a hunt for the hit-and-run driver whose automobile early Monday morning struck and killed an Alvarado farm laborer and then sped away in the darkness.

Victim of the highway killer was Merced Gonzales, 39, a Mexican Nationalist, who resided at the Tony Sanchez ranch near Alvarado. His broken body was found at daybreak on the shoulder of the Centerville - Alvarado highway, near Hall's Station, by Deputy Sheriffs Cornelius Martenese and Laverne Payne as they were on routine patrol.

It is believed that Gonzales died instantly from the impact and the time of death was estimated to have been shortly after midnight.

Scattered over a distance of nearly 200 feet were bits of headlight glass and particles of paint chippings. A crushed flashlight, which the victim was believed to have been carrying, was found near the body.

The body was brought to the Berge Mortuary Company, Niles.

A requiem mass was held at Corpus Christi Church, Niles, at 9:30 a.m. Thursday. Interment was at Holy Ghost Cemetery.

DEATH OF OAKLAND MAN MOURNED BY KIN HERE

Several township people are mourning the death of George Quadros, former township resident, who was given final burial rites at Mt. View Cemetery on October 22.

Quadros, born in Mowry's Landing, has, for several years, operated a grocery on MacArthur Blvd., in Oakland. He was 62 at the time of his death and is survived by his widow, Olive, by his sisters, Mrs. Mary Francis and Angeline Quadros, both of Centerville. He is also survived by two brothers, Manuel Quadros and Joe Quadros of Oakland and was the brother of the late Rose Joseph of Alviso.

Nieces and nephews of the deceased include Velma Lewis and Ethel Francis of Centerville, Alvin Joseph of Hayward, Bernie Joseph of Decoto, Vivian Stutt of San Leandro, Edna Quadros of Oakland, Raymond Quadros of Oakland, Marvin Quadros of Campbell, Evora Rockwell of Oakland, and Bernice Coe of Lodi.

FIRE DEMONSTRATION TODAY

A demonstration by the Centerville Fire Department is scheduled for today (Friday) at 1 p.m. at the high school for the benefit of the students.
